I joined NIT Srinagar as the Director in 2011. Dr. M.A. Shah, a faculty of the Department of physics is known to me about 8 years or so. I found Dr. Shah a very dynamic person with pleasant personality. NIT Srinagar, for the first time, conducted 6 DST sponsored INSPIRE PROGRAMMES for the talented 10 plus two students of Kashmir during my tenure of five years as the Director. And all programmes were highly successful and these were greatly appreciated by the DST also. This was possible because of the untiring efforts and total dedication of Dr. M.A. Shah. For all the programmes he was the Co-ordinator. Further, M.Sc programme in physics started during my tenure where Dr. Shah also played a significant role. He is a very hardworking and dynamic person.

I wish him all success in his life.
